

MOSTAFA ABDELLRAHEEM

Front-End Developer | React, Next.js & TypeScript

Cairo, Egypt - Open to Remote | +20 1010317417 | pcmm20190@gmail.com | Portfolio | GitHub | LinkedIn

PROFESSIONAL SUMMARY

Front-End Developer with 3+ years of experience building responsive, bilingual Arabic/English interfaces with React, Next.js, and TypeScript. Delivers reusable UI systems, state-rich product flows, RTL/LTR experiences, and performance-focused web applications with attention to accessibility and technical SEO.

TECHNICAL SKILLS

Core: JavaScript (ES6+), TypeScript, HTML5, CSS3

Frameworks: React, Next.js App Router, React Router, React Query

UI: Tailwind CSS, Material UI, Emotion, Framer Motion, Lottie, Responsive Design, Mobile-First, RTL/LTR

Quality & Delivery: Accessibility, Core Web Vitals, Technical SEO, PWA, Git, ESLint, Vercel

Integrations: Firebase client integration, Cloudinary media delivery, REST API consumption

PROFESSIONAL EXPERIENCE

Freelance Front-End Developer | Remote | 2023 - Present

- Build responsive React and Next.js interfaces for corporate, travel, pharmacy, e-commerce, and portfolio products.
- Design reusable components and keep visual consistency across mobile, tablet, and desktop breakpoints.
- Implement bilingual RTL/LTR experiences, forms, search and filtering, dashboard views, and clear loading, error, and empty states.
- Apply image optimization, efficient rendering, accessibility practices, metadata and structured content, and technical SEO.

SELECTED FRONTEND PROJECTS

Voyajar - Travel Discovery Interface

Stack: Next.js, React, TypeScript, React Query, multilingual UI.

- Delivered bilingual hotel and flight discovery flows with destination content for Arabic and English audiences.
- Built responsive search and results states with consistent UI behavior across desktop and mobile.

PharmaFlow - Pharmacy PWA & Dashboards

Stack: Next.js, React, TypeScript, Tailwind CSS, PWA, Cloudinary.

- Shipped installable bilingual customer and pharmacist interfaces with catalog filtering and prescription review.
- Implemented consultation and cart flows plus responsive dashboards for day-to-day pharmacy operations.

Bayoumy Co. - Bilingual Corporate Website

Stack: Next.js, React, TypeScript, Tailwind CSS, Framer Motion.

- Built an RTL/LTR corporate UI with responsive layouts, project filtering, and multi-step forms.
- Optimized imagery and technical SEO presentation for a polished bilingual company presence.

Fabrica Store - E-Commerce Interface

Stack: Next.js, React Query, Tailwind CSS, Firebase, Cloudinary.

- Implemented product discovery with search, autosuggest, filtering, and infinite scroll.
- Delivered optimistic UI, loading/empty/error states, theme support, and a responsive shopping experience.

DEVELOPMENT AND LANGUAGES

Professional Development: Continuous self-directed learning through production frontend projects and current React/Next.js practices.

Languages: Arabic - Native | English - Professional working proficiency.
